Cannabis facilities: what we clean

Go room by room with your facility manager and mark which spaces and products belong on the list.

Facility _____ **Address** _____

Walked by _____ **Date** _____

Cultivation and processing rooms

- ☐ Cultivation-building floors
- ☐ Production-room surfaces
- ☐ Floors around benches, drains and walkways
- ☐ Products and entry rules set for each room
- ☐ Room order fixed so debris is not carried between spaces
- ☐ Deeper floor work between harvests while rooms stand empty
- ☐ Concrete scrubbing in the empty-room windows

Storage

- ☐ Storage-area floors on their own schedule
- ☐ Back-of-house storage when your team releases it

Laboratory rooms

- ☐ Lab surfaces cleaned to the room's safety requirements
- ☐ Accessible equipment exteriors, separately specified
- ☐ Samples and instruments left with your personnel

Dispensary floor

- ☐ Retail floor before opening or after closing
- ☐ Entry mats
- ☐ Display glass and counters
- ☐ Security vestibule and check-in counter on every visit
- ☐ Customer restrooms

Offices and staff rooms

- ☐ Offices on the recurring plan
- ☐ Staff breakrooms behind the counter
- ☐ Restrooms restocked from our supplies or your stock
- ☐ Porter shift for long dispensary hours, if wanted

Hands-off items

- ☐ Plants, trim and finished product stay with your staff
- ☐ Containers and inventory left untouched
- ☐ Each room cleared or released before work starts
- ☐ Visits set for when rooms and surfaces are available

Notes
